Mascot Design Competition

Paint Joondalup REaD is about to start in your neighbourhood!
It aims to get everyone in your community excited about reading, singing and having fun with letters and sounds.

We need a **Paint Joondalup REaD** Mascot that represents your community.

Who Can Enter:

Students in Years 4 - 6 residing in the City of Joondalup

Get permission from your family members to enter

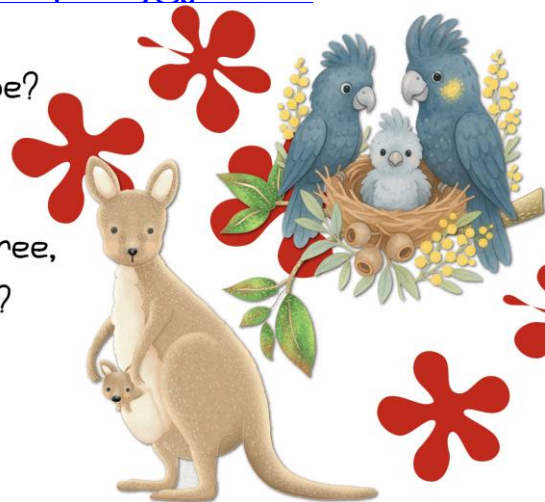

What to think about!

- The Mascot needs to be appealing to children (i.e not scary)
- Think about how the Mascot could be meaningful in your community. For example, a local native animal or some other symbol that is a part of your community.
- Think about how it might look if it's made into a mascot suit. For example is there a place for arms and legs and can the person inside see out.

Entries close 20th December 2025.
